

Some of the things Jesus has made very clear to us lately

(1) Christians Redefined the new birth.

That changed turned their gospel into a philosophy.

Any gospel that is not Paul's "is not another" (Gal. 1).

(2) Put God first, and let everybody and everything around you adjust to that.

That is the only way to have peace.

Whenever we adjust our lives to the world around us, we lose our peace.

(3) Christianity did not start with Christ.

Nothing about Christianity is holy.

None of Christianity came from God.

The very name, *Christianity*, is a lie. That religion has nothing whatsoever to do with Christ.

(4) The night forty years ago when I was praying on the railroad tracks.

God said to me, "What difference does it make, what men say about anything?" And "Am I confused by your delusions?"

If we believe that about God, we will begin to feel the way God feels about human ideas, including our own, concerning Him, and that will draw us nearer to the heart of God.

Proverbs 1

24. Because I have called and you refused, because I have stretched out my hand and no one regarded it,

25. because you have despised all my counsel and did not want my reproof,

26. I also will laugh at your calamity. I will mock when your fear comes,

27. when your fear comes like a devastating storm and your calamity strikes like a tornado, when distress and anguish come upon you.
